## AVAILABLE TO STUDENTS

**NUMERACY AT LUNCH:** Students are reminded that there is extra math help available each day at lunch in the Room 455. Bring your books, questions and lunch and have some math fun!

**ATTENTION ALL WRITERS:** Hey DHS! Interested in creative writing, editing, or journalism? Want to find an audience for your work? Well, you're in luck! Come and meet other Dunbarton writers on Monday in the Upper Library at lunch. Hope to see you there!

**STUDENT TUTORING:** Are you a student who has strong marks and wants to earn a little extra money? Or perhaps you need to earn some community service hours. You should think about becoming a student tutor. If you are interested, come to Guidance to get the application form. All student tutoring must take place here at DHS. We are currently in need of some tutors in the Science, Math, and English areas of study.

**DUNBARTON ENVIRONMENT COUNCIL:** Are you interested in environmental issues and looking to get involved? The Dunbarton Environment Council meets every Monday at lunch in Room 440. Come to our meeting and find out how you can get involved in our many activities...composting, gardening, tree planting, waste collection, community events, conferences and more. Help make your community a better place and earn community service hours!

## GENERAL INFORMATION

**AFTER SCHOOL ACTIVITIES:** Reminder to all students that unless they are involved in a supervised activity after school that they need to vacate the building by 3:15 pm. Please ensure arrangements have been made for pick-up.

**PARKING:** A reminder to students that parking is only in the student west parking lot. Students must register their vehicles at the office. Forms are available in the office first.

**STUDENTS WITH ALLERGIES:** Any students requiring an "epi-pen" must fill out the necessary forms that are available in the main office. One epi-pen must be stored in the office.

**RECYCLING REMINDER FROM THE ENVIRONMENT COUNCIL:** Please remember that **TIMS CUPS ARE GARBAGE AND CANNOT BE RECYCLED.** Do the planet a favour and take your reusable cup to Tims! **PIZZA BOXES** are another item that we can recycle. If you have pizza boxes they can be recycled if you take them directly to the loading area and put into the cardboard bins. Please do not put them in the hall garbage cans since they can be recycled and take up too much space in garbage cans resulting in real garbage not fitting in.

**CONSTRUCTION:** Attention all staff & students, there is currently heavy construction taking place in the lot adjacent to Dunfair Avenue. We understand that some students congregate in this area throughout the day. Please do not congregate or utilize this area as a thoroughfare until further notice. The heavy machinery & construction activity poses a significant safety concern for pedestrians.

**JAYWALKING:** Please be aware that jaywalking across White's Road or any road is illegal. All students must use the crosswalks at White's and Sheppard or Kingston and White's Road to safely travel to and from school property.
